Governor Whitmer Signs Executive Order Enhancing Operational Capacity and Efficiency in Hospitals

According to an article posted on the Michigan ACEP website, “Under the executive order, effective immediately and until Wednesday, April 15 at 11:59pm, The Michigan Department of Health and Human Services (DHHS) and Licensing and Regulatory Affairs (LARA) may take steps to ensure more people receive care.

Executive Order 2020-13 grants LARA and DHHS authority to waive or defer certain requirements in order to expedite the process of bringing additional care facilities online during the COVID-19 emergency. The order also empowers LARA to ensure an adequate supply of care providers during the emergency by granting the department additional flexibility in its decisions about licensing, registration, and workflow requirements.”
